## MONTHLY BULLETIN OF UNEMPLOYMENT AND SICKNESS BENEFITS STATISTICS

## NO. 27 : JUNE. 1948.

## I. GENERAL

This bulletin, issued by the Acting Commonwealth Statistician, (Mr. S.R. Carver) covers the operations of Part VII of the Social Service Consolidation Act, 1947, for the month of June, 1948 and the year ended June, 1948. This information has been compiled from date made available by the Department of Social Services.

The Act provides for the payment of benefits to persons whose normal earnings have been interupted through unemployment or temporary incapacity. It also provides another class of benefit - designated Special Benefit - which gives assistance to persons on account of some special circumstances, and to those persons who cannot comply with the statutory requirements relating to unemployment or sickness benefit, and who are prevented from earning a livelihood and are in need.

The number of recipients of benefit does not embrace the total unemployment and sickness in the community. Unemployment or sickness of less than seven day's duration is not covered, owing to the provision in the Act of a "waiting period" of this length of time during which no benefit is payable. Permanent incapacity is not included as this is covered by the Invalid section of the Social Services Consolidation Act, 1947. The application of a "means test" excluded another group from benefit. The inclusion of claims rejected - see Section 8 - completes the coverage of all persons applying for benefit, irrespective of whether their claims are approved or rejected.

The number of "persons on benefit" in this bulletin relates to principal beneficiaries who would normally be breadwinners. Dependants of such beneficiaries are not included.

The details given in Section 4, 6 and 7 refer to admittances and exits notified during the period shown and not to admittances and exits which actually occured during the period.

Due to delay in the receipts of information in respect of some beneficiaries the figures are preliminary and subject to revision. This applies particularly to exits, and results in persons on benefit at the end of the latter months being overstated.

### 2. BENEFITS PAID

The benefits paid in respect of each class of benefit in each State during June, 1948 and the year ended June, 1948, are shown in the following table.

## 6. UNEMPLOYMENT - CLAIMS ADMITTED DURING JUNE, 1948 AND THE YEAR ENDED JUNE, 1948 AND PERSONS ON BENEFIT AT END OF JUNE, 1948

(i) Cause of Unemployment: The following table analyses the reason for termination of employment as stated by persons whose admission to benefit was notified during June, 1948 and the year ended June, 1948, and by those who were on benefit at 26th June, 1948.

Discharges and lay-offs are separations on the initiative of the employer, the broad distinction being that a discharge is final and there is no likelihood of the person being re-engaged, at least in the near future. A lay-off is a separation of temporary nature with the idea that the job will be available again for the employee as soon as circumstances permit. Quits are separations which take place on the initiative of the employee.
